

Announcement of 2024 Young Generation Forum (YGF 2024)

Dear AKCSE Members,

YG Committee of the AKCSE is pleased to announce the Call for Applications for 2024 Young Generation Forum (YGF) to be held July 8 – July 13, 2024 in Seoul, S. Korea.

Each year, the YG Forum program, hosted by The Korea Federation of Science and Technology Societies (KOFST, 한국과학기술단체 총연합회), brings young Korean heritage students/researchers from all over the world. 110 young participants (including 40 from Korea) will have a valuable opportunity to meet together, share their experience/knowledge, and create a world-wide network. In this year, the AKCSE will recommend approx. 13 delegates from Canada to YGF selection committee at KOFST. All travel/local expenses (including airfare*, accommodation – 5 nights, and meals) will be covered by KOFST. So, it would be appreciated if you could forward this call to your chapter and local community (including newspapers).

This year, we are also recommending applicants in the under-privileged (사회적 약자) category. This category will be evaluated differently from regular applicants.

Details of support:

- A portion of round-trip airfare*, accommodation for 6 days and 5 nights, and meals
 - *Airfare will be reimbursed up to USD \$2,135 (East), USD \$1,852 (Central), USD \$1,570 (West) or actual fare, whichever is less.
 - * Tickets using mileage cannot be supported, only airfare receipts with the payment amount specified can be supported.
- Travel insurance premium during the event period.
 - * All overseas participants must purchase travel insurance before departure, and only receipts with a guarantee period specified as the event period (July 8 to July 13) can be applied (other dates are not supported).

AKCSE will submit the recommended applicants list to KOFST and the final selection will be done by KOFST. The selected participants also need to submit the application form at www.ultari.org.

The below is the application information (also, please review the YG Forum Selection Guidelines attached).

When you submit the application, you are acknowledging that you will participate in all YG Forum activities between the specified dates.
