Call for Abstracts

[Abstract submission deadline extended **July 9**](#)

The Scientific Committee of BIEN 2021 invites you to submit an abstract summarizing your research findings and trends in science and technologies. All abstracts will be reviewed by the Scientific Committees and be published in the proceedings.

We welcome male participants to the conference if one of the co-authors is female.

* Scientific Sessions: Bio, Information, Earth/Energy/Environment, Nano, Space, Convergence, Basic Science
