# 2

## Process

---

- Any scientists and engineers who meet the abovementioned qualifications are eligible to apply and submit foreign PI's concept paper (CP) and CV by July 5 (Wednesday), 2023.
  - Proposal CPs relevant to KIER's 2 CPs only are eligible for this funding program.
  - If you submit CP with no relevance with KIER's 2 CPs, then it will not be accepted as funding program this year.
  - Overhead cost cannot exceed 20% of total budget cost  
(This rate can be negotiable after the final selection)

- After the *1<sup>st</sup> proposal evaluation*, several top-ranked candidates will be selected as eligible partners for full proposal submission with 2 KIER PIs. One partner for one KIER PI will be matched at the 1<sup>st</sup> evaluation during the 2<sup>nd</sup> week of July, 2023. The submitted CP (Concept Paper) and your CV only are considered in the evaluation by the KIER Committee. (No oral presentations)

- KIER will award one or two projects (the number maybe changed depending on the budget available) which successfully pass the *final presentation*

*evaluation* as KIER's international joint projects.

- Presentation speaker should be both foreign PI and KIER PI
- Foreign PI gives an online presentation via web application (Zoom).
- KIER PI will attend the evaluation venue at KIER and present before evaluators.
